

Our Core Values

The Lord is our provision.

Every guest IS our priority.

Smile and make eye contact...it costs nothing but means everything.

Listen with intention.

YES is the answer. What is the question?

Be quick to act.

Never speak negatively about a co-worker or guest.

Always show respect.

Have a servant's heart.

Raise the bar...set the standard.

Free to fail.

Don't let an opportunity pass.

Be a solution seeker, not a complainer.

It matters to someone.

Our job is a privilege.

Your gift is unique...make a difference.

A fond farewell with room for a sequel.
